INNOVATIVE TEACHING METHODS MANUAL

- April 2018 – draft version was sent to the responsible partners to DSTU and IKSU.
- May 2018 – some corrections were made according to the recommendations from the partners (UNiC, DSTU)

Problems and gaps:

- To complete the manual we need to complete master's competence and skills model first.
- Kirgiz partners need to fill in the information about their Home institution modules.
- Samples of assessment tasks must be provided in the manual.
